Preschool Advantage is excited to add Saint John's Nursery to its selection of well qualified partner preschools.

Families interested in applying for preschool funding for their child can complete the application found at preschooladvantage.org. Children must be 3 or 4 years old by October 1, 2017 to be considered for funding for the school year beginning in September 2017. The deadline for applications is February 28, 2017.

Preschool Advantage is a non-profit organization that believes all children should have access to high quality early education. Through private donations, Preschool Advantage can select families whose children would otherwise not have the opportunity to attend preschool and make available a seat at an outstanding local school.
