### **Preschool Advantage Still Accepting Applications from Families Needing Preschool Tuition Assistance**

MORRISTOWN, NEW JERSEY – March 9, 2019. Preschool Advantage is now accepting a 2<sup>nd</sup> round of applications for children to attend its partner preschools for the school year beginning in September 2019. Families demonstrating commitment to education and financial need can apply for funding for a half day of preschool. Children must be 3-or 4-years old by October 1, 2019 to be considered. The deadline for the 2<sup>nd</sup> round is April 1, 2019.

While preschool is considered critical to a child's success in school, the high cost of tuition can prevent many families from enrolling their children. Preschool Advantage partners with 25 preschools in Morris and Somerset counties to provide a quality preschool education for families who could otherwise not afford it. The organization seeks to provide opportunities to prepare children for a lifetime of learning that will create a better world for its students, their families, and the community.

Preschool Advantage has provided families with financial assistance for high quality preschool education since 1995, with almost 1,500 tuitions paid throughout the organization's history. In 2018, 85 children were assisted by Preschool Advantage. The application form and the list of partner schools can be found on [preschooladvantage.org](http://preschooladvantage.org), or call (973) 532-2501 or visit the office at 25 Lindsley Drive, Suite 307, Morristown.
