

PRESCHOOL ADVANTAGE

Funding early education for local children

Do you know a family that
needs help paying for
preschool?

Preschool is important, but the high cost of tuition can make it difficult for families to send their 3 and 4 year old children.

Children who attend a high-quality preschool are more likely to succeed in school and in life. If you or someone you know is unable to afford preschool tuition, get in touch with us!

Applications for funding at one of our many partner preschools in Morris and Somerset counties can be submitted starting January 1ST for the next school year. Applications received by March 1ST will be given priority for funding.
