Our Mission

To give children a fair chance to succeed in life. We raise funds to open the doors of preschool and unlock the possibilities beyond.

PRESCHOOL ADVANTAGE

Funding early education for local children

Thank you to our Keynote Speaker

Holly Seplocha, Ed.D.

Your 40-year long contribution to early education and children as a researcher, administrator, professor, and advocate is an inspiration to all!

Molly,

Preschool Advantage will forever be appreciative of the 400 children placed into quality preschools under your leadership.

You have earned an extraordinary retirement!

**We wish you safe travels when the time is right,
and until then, much happiness on the golf course!**

Dillard & Adrienne

Molly,

**Always moving,
planning and keeping
Preschool Advantage
on the advance! It truly
was a pleasure to
volunteer under your
leadership.**

**All the best to you and
Len,**

Anne De Silva

Best wishes to Molly Dunn for a fulfilling retirement.

You have given so much by your leadership, passion and enthusiasm to make a difference in 400 children's lives!

You will be missed, but never forgotten!

You have been an inspiration for all that worked with you along the way.

You are leaving Preschool Advantage with a great foundation that you helped provide.

May your journey forward be filled with the same joy and warmth as the many families this organization has helped.

Warmest Wishes, Ray & Carol Hawkins

**We are happy to support
Preschool Advantage in their
mission to open the doors of
preschool and unlock the
possibilities beyond.**

We support PRESCHOOL ADVANTAGE because

The programs of PRESCHOOL ADVANTAGE provide for Pre-K children a non-cognitive learning experience and a modeling of healthful behaviors which together establish a base for successful cognitive learning (the traditional school experience) in later years.

Molly,

**We are ever grateful for
your inspiration and
leadership over the years.**

**We wish you much health
and happiness in your
retirement.**
