Preschool Advantage Sets Golf Event at Historic Club

Morristown, NJ – Preschool Advantage takes this year’s Golf Invitational to Somerset Hills Country Club, a location with more than 100 years of history. The event, the 29th annual, is scheduled for June 16, and includes tennis and pickleball. The grass courts of the Club offer a unique challenge to racquet players. Provident Bank leads the sponsors of the event with a generous \$15,000 grant as a Premier Sponsor. Matt Mirett, co-chair of the golf committee said, “We are so grateful for the support from Provident Bank and all of our sponsors. Our early golf registrations show lots of enthusiasm for this year’s historic venue. We are excited that we can offer tennis and pickleball players the opportunity to take advantage of playing at this prestigious club.”

Throughout its history, Preschool Advantage has supported tuition for families with the funds raised at the golf outing. Most recently, one hundred children have attended preschool as a result of generous attendees, sponsors, and donors. For more information about registration or sponsorship, go to www.preschooladvantage.org

About Preschool Advantage:

Preschool Advantage funds preschool for children, ages 3 and 4 at our 30 high-quality preschools in Morris and Somerset Counties. Our mission is to give children a fair chance to succeed in life. We open the doors of preschool and unlock the possibilities beyond. Our vision is that ***all children*** in our community begin kindergarten ready to learn and thrive.

The organization is supported by individual donors, and by grants from foundations and businesses. Since its inception in 1995, Preschool Advantage has funded preschool tuition for more than 1,400 area children.
